

PACKING AND REMINDER LIST

THESE ARE RECOMMENDED ITEMS, NOT ALL NEEDED AND SOME ITEMS ARE SEASONAL REQUIREMENTS

- **TORCH/HEADLIGHT AND FRESH BATTERIES**
- **BINOCULARS – LIGHTWEIGHT AND STRONG**
- **CAMERA AND BATTERIES/FLASH CARDS**
- **SARONG/SHORTS – for relaxing in camp**
- **RIDING BOOTS with a suitable walking sole.**
- **SANDALS/SNEAKERS – good for in camp**
- **WALKING boots/track shoes (a comfortable pair of hiking shoes for those on a walking safari)**
- **SUN HAT OR CAP – Broad brim hat ideal**
- **SUNBLOCK**
- **MOSQUITO REPELLENT**
- **SWIM SUIT / COSTUME / BATHERS – for camps with pools**
- **BOOKS/MAGAZINES....for quiet time in camp. Wi-Fi not always available in some bush locations.**
- **PERSONAL TOILETRIES**
- **SMALL BACKPACK OR SUITABLE BAG for carrying cameras, personal items etc.**
- **SUNGLASSES WITH STRING ATTACHED**
- **FROM MAY TO AUGUST WARM CLOTHES FOR EVENINGS/BEANIE – ALWAYS HAVE A JACKET/FLEECE ON HAND FOR ANYTIME OF YEAR IN AFRICA**
- **BUSH COLOURED CLOTHES, NOT BRIGHT COLOURED NOR WHITES FOR BUSH ACTIVITIES**
- **LAUNDRY – can be done free of charge in most camps/lodges. Not hotels.**
- **IN THE INTEREST OF BEING ECO-FRIENDLY AND COVID-19 COMPLIANT PLEASE BRING YOUR OWN WATER BOTTLES OR HYDRATION PACKS AS WE AVOID USING PLASTIC WATER BOTTLES. We have pouches on the horses that hold bottles. 750mls is ideal.**
- **PHONES AND GADGETS – mains electricity is not available everywhere so advisable to bring battery backup or solar chargers. All power here is 220 – 240 Volts with most places using square 3pin UK 13Amp plugs, and around Bulawayo it is mostly 3 pin round 16Amp plugs. Universal adaptors are useful. USB Car chargers using the 12 volt ports are very useful.**
- **CASH for National Parks Fees as well as identification documents where relevant.**

Iganyana Camp

POWER

There are South African type, 16 Amp round pin plug points throughout the camp – please bring an adaptor should you need.

In an effort to green solar power has been installed throughout the Camp and the Camp relies heavily on solar power to heat up the geysers.

Air conditioners are NOT currently operational. There are fans in each tent.

WI-FI

There is Wi-Fi in the main public areas of the Camp but not in the tents.

COVID PROTOCOLS

Camp Staff have had their COVID vaccinations and there are strict COVID protocols in place at Camp. Please request a copy of the measures in place should you need.

CHECK IN AND CHECK OUT TIMES

Check IN Time - 14h00 onwards - if you arrive earlier you are welcome to have a drink the main area until your room/tent is ready if it is not ready before 2 p.m.

Check OUT Time - directly after breakfast (+/- 09h30/10h00)

CLIMATE

THERE ARE THREE SEASONS IN ZIMBABWE –

Mid- November through April is **HOT WET**,

May through to end August is **COOL/COLD DRY** – Hwange often go well below 0 Celsius / 32F in these months.

September through to mid-November is **HOT DRY** – often can go into the 40's C / 104++F.

Rain can occur at any time but this is unusual. Often from September onwards there are the odd early wet season thunderstorms with strong winds, lightning, hail and some rain. These are generally very infrequent precursors to the main rains in December.
